The owner stated that she
somehow got out of her
outdoor enclosure and that
he was thrilled she made it
back to him safe and sound!
Gotta love a reunion!

**Low
Cost
Vaccines
In
Garland!**

On Saturday, June 1 SPCA partnered with Garland Animal Services for their first Wellness Clinic in Garland. The event was a huge success as 80 animals were vaccinated and microchipped. Our plan is to have the SPCA host more low cost service clinics in various locations throughout the City of Garland. We are extremely appreciative of the SPCA for coming out to Garland. The next Wellness Clinic will be held at South Garland Library on August 13.

Orchard Hills Neighborhood Association Picnic

Community Outreach Coordinator Amy Dunphy took 2 volunteers to the Orchard Hills Neighborhood Association Picnic on Saturday, June 8. This was the perfect opportunity to educate the community on different things happening in Garland. We handed out flyers about the mandatory sterilization ordinance, volunteer opportunities, and the monthly special. Members of the community were happy we were at the picnic to answer questions about their pets!

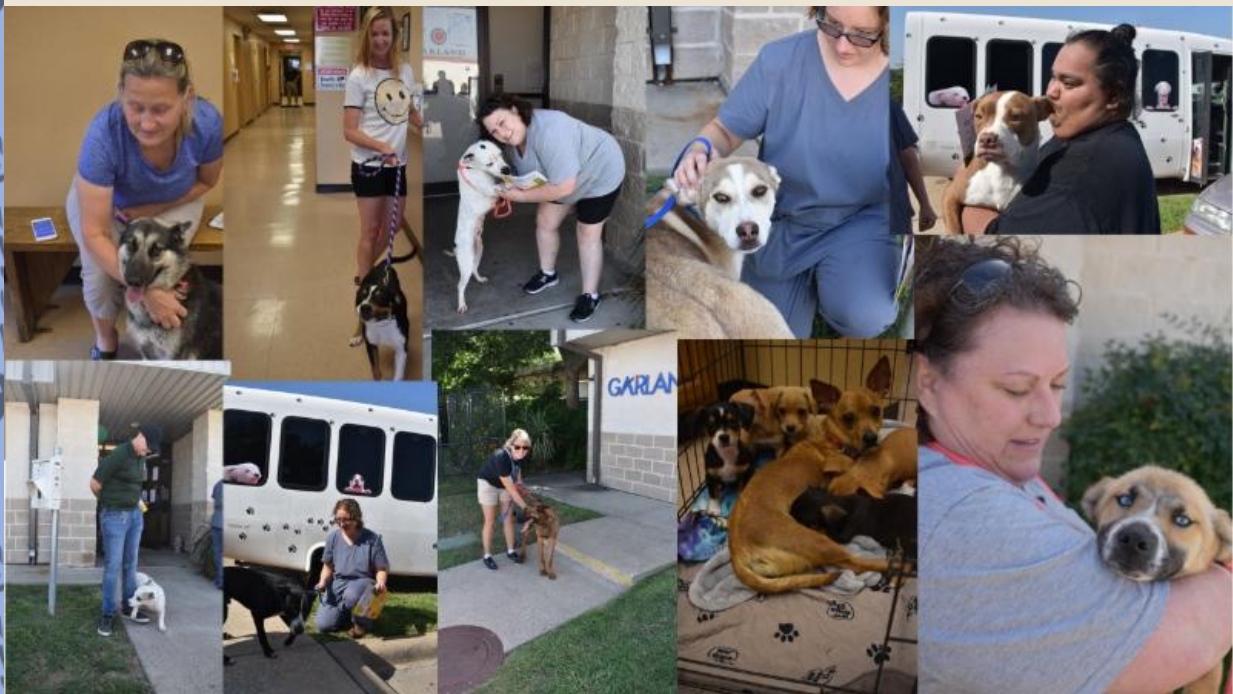

Second hand animals make first class pets! We are surely grateful to all those who have adopted from the shelter. It truly is a team effort to get these pets into their forever homes!

Notice anything different about Garland Animal Services? We added another play area to the front of the shelter! This space is shaded and has grass for those extra hot Texas days! Stop by 600 Tower St. to play with one of our animals!

AMC in Firewheel invited us out to do an adopt-a-thon. On Saturday, June 15 Garland Animal Services broke a record of total animals adopted at an event! 8 dogs and 7 cats found their forever homes at this event. We could not be happier to have this opportunity to work with AMC. The staff was extremely helpful and we could not have done it without them!

June was a great month for transports! We had 2 transports take place during this month that greatly helped the shelter! The first transport took place on Thursday, June 20 and took several dogs from Garland Animal Services and other shelters in the area. The second transport took place on Wednesday, June 26. This one took 25 dogs from the shelter to the great state of Washington! We would like to thank all the people that worked hard to make these transports happen!

Facebook Shout Outs!

Crystal Nolan Wilson Shared. We adopted our amazing pup 2 months ago and she has been so wonderful. Our lives are changed forever, in a way we didnt think was possible.
